Welcome to My Styled Page

About This page

This is a simple paragraph that demonstartes how the first line is styled differently.

This paragraph is highlighted with a background color and a dashboard.

This is another paragraph to show the effect of the general sibling selector. It gets a different font style.

This span element is styled with child selector.

The following image and block elements are grouped and have a block display.

August 29,2024

Visit this link to see how the attribute selector works with hover effects.
